

In order to strengthen the Japanese Government's efforts in promoting foreign direct investment (FDI) into Japan, the Ministry of Foreign Affairs of Japan has established at each of its missions abroad the "Contact Point for the Promotion of FDI in Japan" to support Bruneian investors intending to invest in Japan.

The "Contact Point for the Promotion of FDI in Japan" in Brunei Darussalam is:

E-mail: embassy@bw.mofa.go.jp

TEL: +673-2229265

FAX: +673-2229481

If you have any enquiries or requirements concerning FDI in Japan, please feel free to contact us.

When making contact, kindly provide us with your name, the organisation you belong to, your contact information, and as many details regarding your enquiry as possible so we can respond appropriately.

For your information, the Japan External Trade Organization (JETRO) (<http://www.jetro.go.jp/en/>) also accepts enquiries about direct investment into Japan.
