

## Asia Leadership Fellow Program 2016

The International House of Japan and the Japan Foundation (both in Tokyo, Japan) are calling for applications for the Asia Leadership Fellow Program (ALFP) 2016 from citizens of Northeast-, Southeast- and South-Asian countries and regions, aged 35 to 59. The program will take place from 5 September to 28 October 2016 in Tokyo, Japan.

This program was launched in 1996 with the aim to create a close, personal and professional network of public intellectuals in Asia, committed to civil society which goes beyond their own cultural, disciplinary and geopolitical backgrounds. So far, over 100 fellows from 17 Asian countries from diverse cultural and professional backgrounds have participated.

The theme for 2016 is “Seeking Our Commons in Asia: How Can We Create Visions for the Future?”. Under this program, the selected nine fellows from diverse backgrounds gather in Tokyo and exchange ideas among the fellows and counterparts in Japan from different fields.

Interested Bruneians are encouraged to apply directly at ALFP Secretariat no later than **Friday 25 December 2015**. Applicants should have excellent records in their own field, leadership, sufficient English capacity to discuss, and critical thought about the theme. Detailed information regarding the program and application form can be downloaded at <http://alfpnetwork.net/en/fellow2/>
